Crossed Matched Book 2

Crossed is the second in the Matched trilogy and, if I'm honest, this sequel fell a little short of my expectations. I really wanted to like it - and I love the covers of both these books - but found it lacking in a few areas. It's not all bad.

Crossed is the 2nd book in the Matched series and although I still loved it, I didn't find it quite as engrossing as the first book. For the majority of the book, the three main characters were apart and so much of the appeal lies in the dynamic between them. That being said, Ky has much more of a voice in this book than in the last.

In search of a better life, Cassia joins a widespread rebellion against Society, where she is tasked with finding a cure to the threat of survival and must choose between Xander and Ky.

In the 1930s, Billy and his family come to Hidalgo County, New Mexico, where he becomes obsessed with a wild wolf that lives a precarious existence threatened by the region's ranchers.
