The American Heritage Dictionary of the English Language is an American dictionary of English published by Boston publisher Houghton Mifflin, the first edition of which appeared in 1969. Its creation was spurred by the controversy over the perceived permissiveness of the Webster's Third New International Dictionary. The third edition had more than 350,000 entries and meanings.

American Heritage Dictionary has definitions within it that are blatantly incorrect and that is what prompted the one star rating (especially since it is a dictionary and is meant to define terms properly). Furthermore, when notified of errors in their content, they shrug it off as unimportant and continue to disseminate misinformation.
