The Journal of Dental Sciences (JDS), published quarterly, is the official and open access publication of the Association for Dental Sciences of the Republic of China (ADS-ROC). The precedent journal of the JDS is the Chinese Dental Journal (CDJ) which had already been covered by MEDLINE in 1988. As the CDJ continued to prove its importance in the region, the ADS-ROC decided to move to the international community by publishing an English journal.

Excerpt from The American Journal of Dental Science, 1889, Vol. 22 Mr. President and Gentlemen - The subject I have chosen for discussion is one that will commend itself at once to the humanitarian and the scientific instincts of all here to-night. In putting my thoughts together, I shall adhere as nearly as I can to the dental aspect Of the question, and so invite your kindly criticism. Excerpt from The American Journal, of Dental Science, 1884, Vol. 17 Mr. W. Milles said he had been asked to

Get Free American Journal Of Dental Science Volume 36

say a few words on the subject under discussion, and he should confine his observations more particularly to the points which Mr. Underwood and himself had been studying together, the action of micro-organisms in the production of dental caries. They found in all cases of caries micro organisms were present in certain definite lines. In the most superficial part of caries the tubes were broken up.
