The most popular type of ATV is the sport-utility quad, a machine that is both a fun, capable trail machine and equipped with racks and hitches so it is useful around the house or farm. This book shows how to do the most popular types of modifications to the ATV, most of which consist of bolting on a rack, or other accessory.

One of the company ' s most prestigious models, the Grizzly 700, is a constant favorite within the ATV community. The 2020 EPS (electronic power-steering) version is perfect for aggressive trail navigation, and the Ultramatic® transmission features a gated shifter, dual-range (Hi/Lo) drive, and reverse gear, making it one of the most advanced—and durable—CVT drive systems available.
