Through her great capacity to love, a kind and beautiful maid releases a handsome prince from the spell which has transformed him into an ugly beast.

Read along with Disney! When a selfish prince is cursed to live as a hideous beast, he begins to lose hope for himself and his enchanted staff. That is, until Belle, a smart, brave young woman with a caring heart, enters their lives. Follow along with word-for-word narration as a different sort of enchantment sparks, and beauty is found within.

This is the first published version of Beauty and the Beast, written by the French author

Acces PDF Beauty And The Beast

Gabrielle-Suzanne Barbot de Villeneuve in the mid-18th century and translated by James Robinson Planché. It is a novel-length story intended for adult readers, addressing the issues of the marriage system of the day in which women had no right to choose their husband or to refuse to marry. There is also a wealth of rich back story as to how the Prince became cursed and revelations about Beauty's parentage, which fail to appear in subsequent versions of the now classic fairy tale.

The classic fairy tale is illustrated with pop-up castles and characters.

Belle has dreamt of adventures like the ones she reads in her books, of traveling the world outside her small town. When Belle's father is captured, she takes his place as a prisoner of a fearsome Beast. But life in the enchanted castle isn't as terrible as Belle imagines, and she ultimately finds friendship and love. Enjoy this tale as old as time about adventure and love, about looking past first appearances, and about the inner Beauty and Beast in all of us in this beautiful novelization of the upcoming star-studded film!

When Belle's father is captured, she takes his place as the fearsome Beast's prisoner. But life in the enchanted castle isn't as terrible as Belle imagines. She makes friends and sees a kinder side of the Beast. In order to break the spell, the Beast must learn to love another and be loved in return. But can this be done before the last rose petal falls? This storybook includes beautiful full-color art in the style of the beloved film, *Beauty and the Beast*.

Through her great capacity to love, a kind and beautiful maid releases a handsome prince from the spell which has made him an ugly beast.

The New York Times–bestselling author of *Rose Daughter* reimagines the classic French fairy tale of *Beauty and the Beast*. I was the youngest of three daughters. Our literal-minded mother named us Grace, Hope, and Honour. . . . My father still likes to tell the story of how I acquired my odd nickname: I had come to him for further information when I first discovered that our names meant something besides you-come-here. He succeeded in explaining grace and hope, but he had some difficulty trying to make the concept of honour understandable to a five-year-old. . . . I said: ‘ Huh! I ’ d rather be Beauty. ’ . . . By the time it was evident that I was going to let the family down by being plain, I ’ d been called Beauty for over six years. . . . I wasn ’ t really very fond of my given name, Honour, either . . . as if ‘ honourable ’ were the best that could be said of me. The sisters ’ wealthy father loses all his money when his merchant fleet is drowned in a storm, and the family moves to a village far away. Then the old merchant hears what proves to be a false report that one of his ships had made it safe to harbor at last, and on his sad, disappointed way home again he becomes lost deep in the forest and has a terrifying encounter with a fierce Beast, who walks like a man and lives in a castle. The merchant ’ s life is forfeit, says the Beast, for trespass and the theft of a rose—but he will spare the old man ’ s life if he sends one of his daughters: “ Your daughter would take no harm from me, nor from anything that lives in my lands. ” When Beauty hears this story—for her father had picked the rose to bring to her—her sense of honor demands that she take up the Beast ’ s offer, for “ cannot a Beast be tamed? ” This “ splendid story ” by
