Crowded in the Middle of  
Nowhere is the story of Bo Brock,  
a veterinarian in the West Texas  
town of Lamesa. The book details  
stories that range into just about  
every category: humorous,  
absurd, heartwarming and  
poignant. Brock tells of his  
upbringing and the values his  
family (especially grandparents)  
instilled in him.

May 19, 2014 The casebook of  
Brock, a Texas veterinarian,  
reveals his most memorable  
cases and larger-than-life  
characters. It may be the fate of  
any veterinarian's memoir to  
languish in the long shadow of  
James Herriot, but author Brock's  
humorous reminiscences will fit  
the big boots reserved specifically  
for Texas veterinarians.

Veterinarian Brad Brown never knew what to expect when he was called. Whether he was trying to geld a spooked stallion in a blizzard or found himself in the middle of an all-out fracas involving a monkey's abscessed tooth and a shotgun, he took it in stride, with great affection for both his four-legged patients and his two-legged clients.

He's operated on whales, administered antibiotics to a group of performing lions, barely

escaped alive after treating unpredictable chimps, cared for every imaginable household pet - and most of all, enjoyed every minute of it. Well-known veterinarian, cartoonist, writer, and one of the world's leading authorities on horse behavior - Dr. Robert M. Miller shares his memoirs of a life filled with all the joys and tragic moments that caring for, and loving, animals brings. Now the vet known for his hilarious cartoons brings the same delicious humor and warm compassion to a distinctly American book in the Herriot tradition: a story that will touch your heart, and remind you of why our bond with animals is so special."

Brad Brown is back with a second set of stories just as entertaining and fascinating as his first book.

Whether he's escaping the personal vendetta of a bull named Killer (I was a matador without a cape), entangled with a rabid cow, chasing a stallion (well, not quite, anymore...) through downtown Bangor, performing heart surgery in an arena, or having a close encounter?while airborne?with a B-52 bomber, this vet regards it all as part of a (long) working day.

raised in the Netherlands on a dairy farm, he is the star of Nat Geo Wild's hit show The Incredible Dr. Pol and has been treating animals in rural Michigan since the 1970s. Dr. Pol's more than 20,000 patients have ranged from white mice to 2600-pound horses and everything in between. From the time he was twelve years old and helped deliver a litter of piglets on his family's farm to the incredible moments captured on his hit TV show, Dr. Pol has amassed a wealth of stories of what it's like caring for this menagerie of animals. He shares his own story of growing up surrounded by animals, training to be a vet in the Netherlands, and moving to Michigan to open his first practice in a pre fab

house. He has established himself as an empathetic yet no-nonsense vet who isn't afraid to make the difficult decisions in order to do what's best for his patients—and their hard-working owners. A sick pet can bring heartache, but a sick cow or horse could threaten the very livelihood of a farmer whose modest profits are dependent on healthy livestock. Reminiscent of the classic books of James Herriot, *Never Turn Your Back on an Angus Cow* is a charming, fascinating, and funny memoir that will delight animal lovers everywhere.

She was a suburban Chicago girl; all she knew of the American West came from the stories her uncle, who had settled in northern Colorado, told her during his annual visits. But thanks to him, she ended up moving to Fort Collins, Colorado for college—and after falling in love with a man she'd become friends with in her final year of college, when he was a student at the CSU School of Veterinary Medicine, she remained there. Watching the work Earl did as a veterinarian inspired Mary to eventually leave her tenured teaching position and enter vet school, after which she opened her own, feline-exclusive
