Public relations and the media are in a time of major change. The rise of social media, altered media platforms, evolving legislative environments and new models of communication have altered not only the working environments of public relations and the news and entertainment media, but also many aspects of how these industries work together. Media Relations provides a practical and thorough introduction to media work in this changing environment. Based on a solid understanding of media culture and theory, Jane Johnston shows how to steer a path between the technical and human elements of media relations. She drills down into the different types of media, analysing their applications, strengths and weaknesses, and shows how to target your message to the right media outlets, whether national

television, community radio, celebrity magazines or influential blogs. This second edition has been revised throughout and includes new case studies, and new chapters on digital and social media, media campaigns, and legal and ethical considerations. 'Media Relations: Issues and Strategies is written in an engaging, easy to understand style. It provides excellent examples and cases of media relations.' - Global Media Journal

THE NCG FACTOR Networking is the beginning. Connecting is the journey. Giving is the goal. When networking, connecting, and giving collide you create the NCG Factor, an explosive formula for fast-tracking anybody to authentic, powerful, life-changing personal and business relationships. With practical, real-world examples from successful "NCG Masters," the NCG Factor is a guidebook for life. It

In a series of sharp, witty and warmly imaginative scenes, Margit Kaffka exposes a closed world in which modern ideas of female education and economic independence begin to dislodge the power of religious observance and social tradition; and where love, sexual awakening and the lures of the outside world all conspire to create confusion and deception. The novel ripples and hums with gossip, intrigue and sexual yearning.

"My heart wandered through the world constantly seeking after my cure, but the sweet and delicious water of life had to break through the granite of my heart." When the words of Rumi enter your heart, something softens, breaks, and is subtly reborn. That he wrote the words seven hundred years ago in a medieval Persian world that bears

little resemblance to ours makes their uncanny resonance to us today just that much more remarkable. Here is a treasury of daily wisdom from this most beloved of all the Sufi masters—both his prose and his ecstatic poetry—that you can use to start every day for a year, or that you can dip into for inspiration any time you need to break through the granite of your heart.
