Criticising Photographs

Read Online By Terry Barrett Criticizing

Barrett states in the first chapter that when critics criticise, they do one or more of four things: “they describe the work of art, they interpret it, they evaluate it, and they theorize about it” [emphasis in original].

Photographs An Introduction To Understanding Images 4th Edition

their influences on how they affect our attitudes, beliefs, and actions, this fully updated sixth edition offers consequential ways of looking at images from the perspectives of photographers, critics, theoreticians, historians, curators, and editors. It invites informed conversations about meanings and implications of images, providing multiple and sometimes conflicting answers to questions such as: What are photographs? Should they be called art? Are they ethical? What are their implications for self, society, and the world? From showing how critics

Photographs what they see in images and how they persuade us to see similarly, to dealing with what different photographs might mean, the book posits that some interpretations are better than others and explains how to deliberate among competing interpretations. It looks at how the worth of photographs is judged aesthetically and socially, offering samples and practical considerations for both studio critiques for artists and professional criticism for public audiences. This book is a clear and accessible guide for students of art history, photography and criticism,

alienating more
sophisticated readers.

CRITS: A Student Manual is a practical guide to help art and design students obtain maximum benefits from the most common method of teaching these subjects in college: the studio critique. CRITS positions studio critiques as positive, productive, and inspirational means to foster development - not occasions to be feared. It explains the requisite skills, knowledge, and attitudes for meaningful and motivational participation in critiques. CRITS teaches students the hows and whys

of critiques so that they can gain enriching benefits from their instructors and peers during and after critiques. Renowned author Terry Barrett informs, guides, and reassures students on the potential value of studio critiques. Filled with real-life examples of what works well, and what doesn't, Barrett provides readers with the tools to see crits as opportunities to participate, observe, reflect, and develop - improving art and design engagement at all levels.

This new series provides working art educators with accessible guides to significant issues in the field. Developments in art education are consolidated into a clear presentation of what a practicing teacher needs to know. Paramount to the series is the concept of informed practice, whereby important and often complex art education topics are put into the context of the working art teacher and real classroom environments. This book provides real-world perspective, samples of critical discussions and

Photographs An Introduction To Understanding Images 4th Edition presents critiquing strategies that worked, and even some that didn't, in a multitude of educational settings. Sample critiques likewise provide real classroom perspective on dealing with meaning, gender issues, influences and more. Judging student art is also addressed, while general recommendations for interactive group critiques round-out this practicing teacher's guide.
