Catholicism and American Freedom: A History by John T ...

The Catholic agenda was social justice; its preoccupation was always the good of the whole. As for individualism, Catholic thought deeply distrusted it, seeing selfishness and the disruption of the web of duties that create the good society. American liberalism, on the other hand, saw in it freedom and self-realization.

Catholicism and American Freedom | Commonweal Magazine

ISBN 9780393326086. " [McGreevy] has written the best intellectual history of the Catholic Church in America."—Commonweal For two centuries, Catholicism has played a profound and largely unexamined role in America's political and intellectual life. Emphasizing the communal over the individual, protections for workers and the poor over market freedoms, and faith in eternal verities over pragmatic compromises, the Catholic worldview has been a constant foil to liberalism.

American Freedom and Catholic Power is an anti-Catholic book by American writer Paul Blanshard, published in 1949 by Beacon Press. Blanshard asserted that America had a "Catholic problem" in that the Church was an "undemocratic system of alien control". The book has been described as propaganda and as "the most unusual bestseller of 1949-1950". Some reviewers thought that the book incorporated nativist sentiments into its anti-Catholicism, including that the Church was a foreign power in ...
