Double Cup Love is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. -- Amazon.

From the author of Fresh Off the Boat, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork Eddie Huang was finally happy. Sort of. He'd written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he'd even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny

apartment he shared with his younger brother Evan, who ran their restaurant business. Then he fell in love—and everything fell apart. The business was creating tension within the family; his life as a media star took him away from his first passion—food; and the woman he loved—an All-American white girl—made him wonder: How Chinese am I? The only way to find out, he decided, was to reverse his parents' migration and head back to the motherland. On a quest to heal his family, reconnect with his culture, and figure out whether he should marry his American girl, Eddie flew to China with his two brothers and a mission: to set up shop to see if his food stood up to Chinese palates—and to immerse himself in the culture to see if his life made sense in China. Naturally, nothing went according to plan. Double Cup Love takes readers from Williamsburg dive bars to the skies over Mongolia, from Michelin-starred restaurants in Shanghai to street-side soup peddlers in Chengdu. The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes. Eddie takes readers to the crossroads where he has to choose between his past and his future, between who he once was and who he might become. Double Cup Love is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. Praise for Eddie Huang's Double Cup Love —Double Cup Love invites the readers to journey through [Eddie Huang's] love story, new friendships, brotherhood, a whole lot of eating and more. Huang's honest recounting shouts and whispers on every page in all-caps dialogues and hilarious side-commentary. Huang pulls simple truths and humor out of his complex adventure to China. His forthright sharing of anecdotes is sincere and generates uncontrollable laughter. . . . His latest memoir affirms not only that the self-

described "human panda" is an engaging storyteller but a great listener, especially in the language of food."Chicago Tribune "An elaborate story of love and self-discovery . . . Huang's writing is wry and zippy; he regards the world with an understanding of its absurdities and injustices and with a willingness to be surprised."Jon Caramanica, The New York Times "Huang is determined to tease out the subtle and not-so-subtle ways in which Asian-Americans give up parts of themselves in order to move forward. . . . Fortunately for us, he's not afraid to speak up about it."The New Yorker "Huang connects in Chengdu the same way he assimilated in America—through food, hip-hop and a never-ending authenticity, which readers experience through his hilarious writing voice and style."New York Daily News

"As he entered adulthood (of sorts), Huang began to wonder just how authentic his Chinese identity really was, a dilemma that grew more acute as he contemplated proposing marriage to his all-American (well, all-Italian-American) girlfriend. So he enlisted his brothers Emery and Evan and returned to the land his ancestors had abandoned. His immediate goal was to sample the best food in China, from four-star restaurants in Shanghai to sidewalk vendors in Chengdu, and open his own stand to see if his food stood up to Chinese tastes--but his deeper goal was to reconnect with his homeland, repair his frayed family relationships, decide whether to marry to his American girlfriend, and figure out just where to find meaning in his life."--Provided by publisher.

NOW AN ORIGINAL SERIES ON ABC "Just may be the best new comedy of [the year] . . . based on restaurateur Eddie Huang's memoir of the same name . . . [a] classic fresh-out-of-water comedy."People "Bawdy and frequently hilarious . . . a surprisingly sophisticated memoir about race

and assimilation in America . . . as much James Baldwin and Jay-Z as Amy Tan . . . rowdy [and] vital . . . It's a book about fitting in by not fitting in at all. □□Dwight Garner, The New York Times NATIONAL BESTSELLER □ NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS

Assimilating ain't easy. Eddie Huang was raised by a wild family of FOB (□fresh off the boat□) immigrants□his father a cocksure restaurateur with a dark past back in Taiwan, his mother a fierce protector and constant threat. Young Eddie tried his hand at everything mainstream America threw his way, from white Jesus to macaroni and cheese, but finally found his home as leader of a rainbow coalition of lost boys up to no good: skate punks, dealers, hip-hop junkies, and sneaker freaks. This is the story of a Chinese-American kid in a could-be-anywhere cul-de-sac blazing his way through America's deviant subcultures, trying to find himself, ten thousand miles from his legacy and anchored only by his conflicted love for his family and his passion for food. Funny, moving, and stylistically inventive, *Fresh Off the Boat* is more than a radical reimagining of the immigrant memoir□it's the exhilarating story of every American outsider who finds his destiny in the margins. Praise for *Fresh Off the Boat* □Brash and funny . . . outrageous, courageous, moving, ironic and true.□□New York Times Book Review □Mercilessly funny and provocative, *Fresh Off the Boat* is also a serious piece of work. Eddie Huang is hunting nothing less than Big Game here. He does everything with style.□□Anthony Bourdain □Uproariously funny . . . emotionally honest.□□Chicago Tribune □Huang is a fearless raconteur. [His] writing is at once hilarious and provocative; his incisive wit pulls through like a perfect plate of dan dan noodles.□□Interview □Although writing a memoir is an audacious act for a thirty-year-old, it is not nearly as audacious as some of the things Huang did and survived even earlier. . . . Whatever he ends up doing, you

can be sure it won't look or sound like anything that's come before. A single, kinetic passage from Fresh Off the Boat . . . is all you need to get that straight. Bookforum

Standup comic, actor and fan favorite from HBO's Silicon Valley and the film Crazy Rich Asians shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. "I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too." Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series Silicon Valley. In How to American, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, How to American mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

A Guy's Guide to the World of Infertility, How to Make Love to a Plastic Cup is a light-hearted, laugh-out-loud funny, yet at the same time helpful and informative handbook to all things infertility-related written with the male wannabe babymaker in mind. Greg Wolf, who has been there, delivers the goods in

a humorous, direct way that every potential dad will love—and every hopeful mom will want to purchase for the often clueless man in her life.

This book makes a great gift for wine lovers, wine aficionados, and wine connoisseurs. Consider it for gifts and favors at wine tasting events or winery tours. It's also a funny gag & joke wine book to give when you're invited to dinner, and you are lacking the customary gift of a bottle of wine. ***

This journal alternates between 4 LINED pages for writing and 2 BLANK pages for sketching/drawing throughout - Size 5.2" x 0.2" x 8" with 110 pages total. *** Not only does it make a great coffee table book and conversational piece, but its pages can be used as a diary of wine pairings, a record of special memories, a place for random sketches and diagrams, a very long bucket list, a notebook for tips and tricks, or all of the above. Make the gift even more special by writing a note or two of your own and tucking a little cash or a gift certificate into the folds. There is no text on the BACK COVER!

A deeply personal and shocking look at how China is coming to terms with its conflicted past as it emerges into a modern, cutting-edge superpower. Through the stories of three generations of women in her family, Karoline Kan, a former New York Times reporter based in Beijing, reveals how they navigated their way in a country beset by poverty and often-violent political unrest. As the Kans move from quiet villages to crowded towns and through the urban streets of Beijing in search of a better way of life, they are forced to confront the past and break the chains of tradition, especially those forced on women. Raw and revealing, Karoline Kan offers gripping tales of her grandmother, who struggled to make a way for her family during the Great Famine; of her mother, who defied

Download Free Double Cup Love On The Trail Of Family Food And Broken Hearts In

the One-Child Policy by giving birth to Karoline; of her cousin, a shoe factory worker scraping by on 6 yuan (88 cents) per hour; and of herself, as an ambitious millennial striving to find a job--and true love--during a time rife with bewildering social change. Under Red Skies is an engaging eyewitness account and Karoline's quest to understand the rapidly evolving, shifting sands of China. It is the first English-language memoir from a Chinese millennial to be published in America, and a fascinating portrait of an otherwise-hidden world, written from the perspective of those who live there.

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays. Personally revealing as well as universal, Dirty Thirty marks the coming of age of a new literary star.

When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what

Download Free Double Cup Love On The Trail Of Family Food And Broken Hearts In

happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.
