This Handbook provides a comprehensive, interdisciplinary examination of childhood violence for students, scholars, and policymakers. A great many books have been published on children and violence, but the majority approach the topic from a single disciplinary perspective and most often concentrate on children as victims of violence.

~~Amazon.com: Handbook of Children, Culture, and Violence ...~~

The Handbook of Children, Culture, and Violence provides a comprehensive, interdisciplinary examination of childhood violence that considers children as both consumers and perpetrators of violence, as well as victims of it. This Handbook is the first single volume to consider situations when children are responsible for violence, rather than focusing exclusively on occasions when they are victimized.
