In Zo é Archer's Dangerous Seduction, Alyce Carr has no time for the strange man in her little Cornwall village, no matter how breathtakingly handsome he is. Life in Trewyn doesn't allow for much fun—the managers of the copper mine barely provide the miners and their families with enough food. Outsiders are suspect and flirts are unimaginable, but Simon Sharpe is as keen as his name...and Alyce can't ignore him for long. As the founder of Nemesis, Unlimited, Simon Addison-Shaw is well accustomed to disguise and deceit. Yet he's not prepared for Alyce's dogged defense of her people and the injustices the copper mine has dealt them. With Alyce's help he can change the fate of an entire town, and convincing her to join him is only part of the thrill. Together, they ignite a desire in each other much too powerful to deny. A Bad Boy Erotica Short Story "You're so wet," he whispered against her, and his voice vibrated against her too-sensitive flesh before his finger moved to trace her through the soaked fabric. And then his hands moved so quickly, she didn't know what he was doing until it was too late. He'd grabbed onto the sides of her thong and torn them apart in one, swift movement. Suddenly, she was completely bare...right there in the park... "Oh god," she moaned as he silenced her thoughts with the tip of his tongue, gliding along her wet slit with a feather light touch that sought to overwhelm her with pleasure and frustration at the same time. She wanted him to stop-he shouldn't be doing this-and she wanted him to press harder, to go deeper... Happy ever after ending. No Cliffhanger! ALSO AVAILABLE IN PAPERBACK AND AUDIO BOOK VERSION! "The Dangerous Lover takes seriously the ubiquity of the brooding romantic hero - his dark past, his remorseful and rebellious exile from comfortable everyday living. Deborah Lutz traces the recent history of this figure, through the melancholy iconoclasm of the Romantics, the lost soul redeemed by love of the Brontes, and the tormented individualism of twentieth-century love narratives. The Dangerous Lover is the first book-length study of this pervasive literary hero; it also challenges the tendency of sophisticated philosophical readings of popular narratives and culture to focus on male-coded genres. In its conjunction of high and low literary forms, this volume explores new historical and cultural framings for female-coded popular narratives."-BOOK JACKET.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the rituals by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.
