The quick-start program described in this book is designed for the new rector or pastor who wants to "hit the ground running." It is also designed for principal lay leaders who will be instrumental in the transition to new leadership. The program takes the new pastor, vestry, or other leadership bodies from one month prior to the new leader's arrival through the first eighteen months afterward. Organized in a user-friendly workbook format, this guide gives step-by-step suggestions on how the sometimes stalled and directionless period of transition in a faith community can be made dynamic and purposeful - a time of true congregational development.

Takes common statements about leadership - statements that we often take for granted - and questions them in the light of Christian faith and Christian perspectives on leadership. This book is suitable for church leaders.

An ancient car. No driver's license. A run for the border. What could possibly go wrong?

Want to compete with the best of the best? Then hit the ground running. Here's how. The toughest job in business is taking over as a new leader. You have to quickly assess the situation, pull together a strong team, decide on a strategy, and inspire everyone to execute it. The stakes for new leaders are even higher. Whether you've been brought on to fix something that's broken, launch a product, move the company in a new direction, or head up a division, every new leader is under the gun to get up to speed and begin producing strong numbers? ASAP. In *Hit the Ground Running*, Jason Jennings introduces us to America's best performing new CEOs who pulled off the most impressive transformations of the decade. They doubled revenues, more than tripled earnings per share, and doubled their company's net profit margins. After interviewing and analyzing the stories of these top leaders, Jennings delivers their hard-earned, battle-tested strategies, which will inspire any new leader to take the helm and start delivering. When Richard and Tim Smucker were appointed co-CEOs of The J. M. Smucker Company, they shared their strategy with everyone and got them on board with their mission. Since then, Smucker's went on to dominate the markets and bring in billions of dollars of new business. Mike McCallister, the CEO of a twenty-billion-dollar health-services giant, decided to stop pretending and publicly admit that health insurance is broken. Humana began to replace a crippled, complex, and confusing system with one that works and has more than tripled revenues, earnings, and share price since McCallister took over. By processing change in bite-size pieces, Jeffrey Lorberbaum led Mohawk Industries through twenty successful acquisitions and turned his family's carpet-making business into the largest flooring company in the world. Filled with engaging stories and lessons from the cream of the crop, *Hit the Ground Running* will help new leaders at every level balance short- and long-term goals as well as the needs of shareholders, employees, customers, and the community.

Sixteen-year-old Dee and her seven-year-old brother, Eddie, have been on their own for six weeks. Their father has seemingly vanished into the baking Arizona desert. Their money is drying up and the rent is coming due, but it's a visit from a social worker and the prospect of being separated from Eddie that scares Dee enough to flee. She dupes her brother into packing up and embarking on the long road trip to Canada, their birthplace and former home. Lacking a driver's license and facing a looming interrogation at the border, Dee rations their money and food as they burn down the interstate in their ancient, decrepit car.

"Eric--Mom and Dad are gone. I don't know what happened, but I'm going to find out." Eric might not be getting along with his family--or anyone else, for that matter--but he's pretty sure a boarding school in another country isn't the answer. Skilled in parkour, running helps him deal. So be it, he decides. Do the time and get out. Flow like water. But when he gets a cryptic message from his brother telling him their parents have been abducted, and then his brother disappears, he realizes they weren't punishing him, they were hiding him. To find them, Eric has to discover the secrets of his parents' research, but the conspiracy he uncovers threatens more than just his family. With help from unlikely new friends, a hack-first-ask-questions-later approach to computers, and a dangerous plan, he soon learns that some secrets don't want to be found, and others have a way of revealing themselves at all the wrong times.

When someone hits the ground running, there is all the superficial attraction of movement and progress. But there is no guarantee that they are going in the right direction. In *Hit The Ground Kneeling*, Stephen Cottrell takes common statements about leadership - statements that we often take for granted - and challenges them in the light of the Christian faith and Christian perspectives on leadership. Wherever you exercise leadership (at work, organizing a home, or doing something like coaching a local football team), the author playfully suggests some models of leadership that can help you - whether or not you reckon you're a Christian.

In a highlight reel, microwave world - you're led to believe success is right around the corner: It's not working. Not only is it not working with your ability to achieve your goals, we've never been more frustrated, stuck, stressed and unfulfilled. Most personal development is all about the big and bold vision, yet these days we're not missing ambition or dreamers... We're missing results and execution. But what if there was a way to shut off the noise, fall in love with the process and take one step forward every single day as you paint your life's masterpiece? Enter *The 1% Rule* - a daily system designed to help you close the gap without the crushing pressure that has kept you stuck in the past. *The 1% Rule* was designed to answer three core questions: Why do some people seem to achieve massive success with everything they do - while others can't seem to get out of their own way? What separates those who get excited and inspired for a season, a quarter or a few months - and those who are consistently on fire? What are the mindsets, principles, routines and behaviors of those who execute daily, and those who sit on the sidelines pondering? ...through answering these questions over the last decade in the trenches with thousands of people - they are now the framework of *The 1% Rule* and are yours today. It's time to take your power back, grab your copy now. If you're ready to ditch the highlight reel illusion... If you're tired of sitting on the sidelines waiting... If you're frustrated with the 24/7 noise... You've come to the right place!
