format, including numerous photos, illustrations and exploded views.

Global knowledge is increasingly essential for all aspects of social work. Today's professionals respond to concerns including permeable borders, the upheavals of war, displaced workers, natural disasters, international adoption, and human trafficking. Everywhere, social workers work with service users and colleagues from diverse cultures and countries. Globally relevant concepts such as human rights, development, and

Inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas. This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike. The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice, policy, and research. Chapters systematically map the key issues, organizations, competencies, training and research needs, and ethical guidelines central to international social work practice today, emphasizing the linkages among social work, development, and human rights practice. In-depth

Download Free International 2504 Shop

country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues, regardless of whether the work is done at home or abroad. Representing all regions of the world, a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state-of-play of international social work today.
