Employment & Labour Law 2020 | Japan | ICLG

For the most part, the labor laws in Japan are as they are in most of the developed world. Discrimination is illegal, you must be presented with a working contract that stipulates your work duties, work hours, salary etc., your salary must be paid, you are entitled to prior notification if you are dismissed, and you must be formally warned before being dismissed (I'm pretty sure), etc.

Labor Laws in Japan | Guideable

Japanese labour law is established within this constitutional framework. It is elaborated by acts, ordinances, collective agreements and work rules. The Civil Code adopted on 27 April 1896 gives a basic definition of employment contracts. Labour laws must additionally meet constitutional demands by setting minimum labour standards.

National Labour Law Profile: Japan

By law, the statutory working hours in Japan are 8 hours a day, 40 hours a week, with up to 44 hours in selected industries (Art. 32,40,131; Labor Standards Act). Overtime Limits While these regular hours exist, overtime is made possible up to certain limits, if the company submits a “Notification of Agreement on overtime and work on days off” to the Labor Standards Inspection Office.

Japanese Labor Law Essentials you Need to Know | KIMI

The Work-Style Promotion Act has been sequentially in force since April 1, 2019. In April 2020, the Act on Improvement of Employment Management for Part-Time and Fixed-Term Workers, which embodies “Equal Pay for Equal Work”, enacted as part of Japan’s “Work-style Reform”, came into force and effect (April 1, 2021 for SMEs).

Significant Changes to Japan's Labor Laws Take Effect

Japan has minimum wage laws: the actual amount is based upon the local cost of living and therefore varies from region to region (see links below). Pay must generally be provided in full, in cash, and paid directly to the employee on or by a specified day of the month (as per the contract). Cash payments are usually made by electronic funds transfer. The maximum pay period is one month, which is the standard pay period throughout Japan, although bonuses and other supplemental payments such ...

Japanese labour law - Wikipedia

Statutory minimum wages are set at the level of each of Japan's 47 prefectures (the country's main geographical/administrative units). They are also set for some specific industries, usually at prefecture level.

Ten surprising facts about employment law in Japan

Employers must provide employees with certain terms of employment in writing. Japanese employment contracts are short and simple, and usually supplemented by the work rules. There is no requirement that the contract be in Japanese. Employers with 10 or more employees must create work rules and file them with the Labour Standards Inspection Office.
