A great plan means you will feel confident in the classroom and remind yourself that you are the expert and you know what is best for your kids. So plan for the perfect lesson, expect that it will not be perfect, and accept that “best-laid plans of mice and men oft (en) go astray” (Robert Burns).

### **Elements of a Great Lesson Plan - The Educators Room**

Here are some of the main benefits of lesson plans: 1. Inspire personal confidence. Having a lesson plan lets you stay in control of the class and the lesson. As your confidence comes across to students, you'll find it easier to keep them focused and on track. 2.

their full attention to what is being taught. Every lesson should have a “hook” or “attention grabber” built into the first five minutes of the lesson.

## **How Teachers Can Create a Great Lesson Students Love**

In this lesson, learners are introduced to the names of some main school stages and national exams and are given the chance to compare with their country's educational system. Then they practise note-taking and speaking skills with a jigsaw reading activity based on a text about gap years from the British Council's Trend UK department and plan their perfect gap year with a partner.

Lesson plan is an integral part in teaching; it serves as a guide for the teachers.

Lesson plan helps teachers to manage their time, effort and resources efficiently. It gives teachers a general idea of things to be taught and learned everyday. It also provides teachers many ways to keep the teaching process not boring and outmoded.
