Life with Two Languages is the first book to provide a complete and authoritative look at the nature of the bilingual experience. Francois Grosjean, himself a bilingual, covers the topic from each of its many angles in order to provide a balanced introduction to this fascinating phenomenon. Many people consider bilinguals to be exceptional, yet almost half the world's population speaks more than one language. Bilingualism is found in every country of the world, in every class of society, in all age groups.
