Meditation for Beginners Audiobook | Jack Kornfield...

Jack Kornfield is one of the most renowned meditation teachers in the West and explains the art of meditation in such a simple way that is easy to understand as a beginner to meditation. Learning to meditate can be overwhelming for a beginner with there being so many methods and loose uses of the term but this book explains it in its essence.

Jack Kornfield, 2007

first page. And that's just the beginning. In the forty years since its original publication, Zen Mind, Beginner's Mind has become one of the great modern Zen classics, much beloved, much reread, and much recommended as the best first book to read on Zen. Suzuki Roshi presents the basics—from the details of posture and breathing in zazen to the perception of nonduality—in a way that is not only remarkably clear, but that also resonates with the joy of insight from the first to the last page. It's a book to come back to time and time again as an inspiration to practice, and it is now available to a new generation of seekers in this fortieth anniversary edition, with a new afterword by Shunryu Suzuki's biographer, David Chadwick.
