Prince Moses escapes to Midian; Moses is called by God at Mt Sinai; Egypt suffers ten plagues; The Israelites flee from Egypt; The Israelites cross the Sea of Reeds; Moses receives the Ten Commandments; Moses constructs the Ark of the Covenant; The Israelites rebel against God; The Israelites are counted. 26. The Journey continues from Sinai to Moab

The Bible Journey | Prince Moses escapes to Midian

When the Israelites saw the soldiers lying dead on the seashore and the great power that the Lord had shown against Egypt, they feared the Lord. They believed in the Lord and in Moses, his servant (Exodus 14:30-31). During their 40-year journey from Egypt to Canaan, God revealed himself to Moses and his people many times.

Leaders are not simply born; they are molded through life's victories and failures, triumphs and defeats. No one exemplifies this process better than Moses, the most important and celebrated character in the Hebrew Bible. Faced with great internal and external challenges, he was sculpted into a great leader not only by circumstance, but also by his own determination and devotion to his people.

Both a heart-racing adventure and an uplifting quest, Walking the Bible describes one man's epic odyssey by foot, jeep, rowboat, and camel through the greatest stories ever told. From crossing the Red Sea to climbing Mount Sinai to touching the burning bush, Bruce Feiler's inspiring journey will forever change your view of some of history's most storied events.

A Guide to Life's Journey from the Five Books of Moses * Have you ever wondered if the Pentateuch?the Five Books of Moses?is relevant to your life? * Do you think the Law, the Torah, has been relegated to a relic from another era? * How do the commandments, given to the Jewish people, contribute to society today? In Creation to Completion, Russell Resnik answers these questions, offering insight into the Torah. he shows that the Creator still desires his creatures to participate in bringing the Creation to completion. After each commentary, he presents a challenging thought For the Journey.

The story of a tiny baby's epic journey--and the surprising help he gets along the way--in a touching, transcendent picture book. In the time of the pharaohs, a loving mother saves her son by tucking him into a basket and setting him afloat on the wide, wild Nile River. Over one long night, the creatures of the Nile--Curious Ibis, Mama Hippo, Mighty Crocodile--watch over Moses, nudge him on his way, and keep him safe through catching reeds and a raging storm. As morning breaks, the river delivers the baby safe and sound into an unexpected safe haven--the welcoming arms of the pharaoh's daughter. With a poetic text and sumptuous watercolors, Caryn Yacowitz and Julie Downing introduce the youngest readers to Moses and the Exodus story and weave a warm, reassuring tale of love and comfort. Ideal for Passover and year-round, this universal story invites little ones of any faith to experience a thrilling journey in perfect, protected safety.

Rice tells of the geographic, intellectual, and religious journey that the Freud family, like thousands of other Jews, made out of the ghettos of Eastern Europe, and how the vicissitudes of this odyssey affected Sigmund Freud, his character, genius, and creativity. Annotation copyright Book News, Inc

Moses was sculpted into a great leader not only by the challenges he faced but also by his own determination and devotion to his people. A powerful and probing review of Moses s journey and what he can teach you about vision and successful leadership."

The story of Moses is a fascinating and liberating one. He was the first person recorded in the Holy Bible to perform miracles. He met God in intimate ways not granted to other humans. He had a hand in writing a good portion of the Old Testament. But in Jewish History he earned a place primarily as a Liberator.

The true adventure hides in history, unwritten... After four hundred dark years of slavery in Egypt, Moses leads his tribe home. Having crossed the desert wilderness of the Sinai Peninsula, overcome danger, thirst, and hunger, the nation of Israel stands on the doorstep of the Promised Land. Two and a half million people, including a powerful army of more than six hundred thousand trained soldiers, are camped at Kadesh-Barnea, torn between excitement and trepidation for what lies ahead. For Moses, it should be an easy decision: lead the Israelites straight to Canaan, the land of milk and honey promised to them by God. But his people are tired, rebellious, and fearful to face their ancient enemy, the pagan Canaanite tribes. So Moses sends twelve warriors on a forty-day mission to explore the land. This dangerous trek, so meagrelly depicted in the Bible, forms the central adventure of The Twelve Spies of Moses. Rich in historical and geographical detail, and vivid with descriptions of the commerce, gastronomy, and rituals of the era, The Twelve Spies of Moses is full of narrow escapes, human tragedy, and political intrigue. It is the story of a hero, Joshua, whose terrifying obstacles bring Bible passages to life-and reveal the essence of Judeo-Christianity in all its grit and glory.

One man's quest to find the oldest Bible scrolls in the world and uncover the story of the brilliant, doomed antiquarian accused of forging them. In the summer of 1883, Moses Wilhelm Shapira/archaeological treasure hunter and inveterate social climber/showed up unannounced in London claiming to have discovered the oldest copy of the Bible in the world. But before the museum could pony up his £1 million asking price for the scrolls--which discovery called into question the divine authorship of the scriptures--Shapira's nemesis, the French archaeologist Charles Clermont-Ganneau, denounced the manuscripts, turning the public against him. Distraught over this humiliating public rebuke, Shapira fled to the Netherlands and committed suicide. Then, in 1947 the Dead Sea Scrolls were discovered. Noting the similarities between these and Shapira's scrolls, scholars made efforts to re-examine Shapira's case, but it was too late: the primary piece of evidence, the parchment scrolls themselves had mysteriously vanished. Tigay, journalist and son of a renowned Biblical scholar, was galvanized by this peculiar story and this indecipherable man, and became determined to find the scrolls. He sets out on a quest that takes him to Australia, England, Holland, Germany where he meets Shapira's still aggrieved descendants and Jerusalem where Shapira is still referred to in the present tense as a "Naughty boy". He wades into museum storerooms, musty English attics, and even the Jordanian gorge where the scrolls were said to have been found all in a tireless effort to uncover the truth about the scrolls and about Shapira, himself. At once historical drama and modern-day mystery, The Lost Book of Moses explores the nineteenth-century disappearance of Shapira's scrolls and Tigay's globetrotting hunt for the ancient manuscript. As it follows Tigay's trail to the truth, the book brings to light a flamboyant, romantic, devious, and ultimately tragic personality in a story that vibrates with the suspense of a classic detective tale.
