Military operations other than war focus on deterring war, resolving conflict, promoting peace, and supporting civil authorities in response to domestic crises. The phrase and acronym were coined by the United States military during the 1990s, but it has since fallen out of use. The UK military has crafted an equivalent or alternate term, peace support operations. Both MOOTW and PSO encompass peacekeeping, peacemaking, peace enforcement and peace building. MOOTW not involving the use or threat o

The major-power rivalry that is most salient in the minds of many U.S.-Chinese observers is the 45-year Cold War between the United States and Soviet Union (which is likely why many draw on this analogy to characterize U.S.-Chinese relations). While this rivalry was highly militarized and carried with it the potential to destroy humanity through nuclear annihilation, rivalries between major ...
