Paula is a soul-baring memoir that, like a novel of suspense, one reads without drawing a breath. The point of departure for these moving pages is tragic personal experience. In December 1991, Isabel Allende's daughter Paula became gravely ill and shortly thereafter fell into a coma.

~~Isabel Allende—Paula~~

Paula is a 1994 memoir by Isabel Allende. She intended to write a straightforward narrative about the darkest experience of her own life. But the book is a tribute to her deceased daughter Paula Frías Allende, who fell into a porphyria -induced coma in 1991 and never recovered.

Isabel Allende is a great story teller, she transport you in space and in the journey you cannot avoid laughing or crying. I like her as a writer, she opens her heart and invites you to participate in the story. I also admire her because most of her novels are based on true stories and many of them. are personal stories.

Sin duda opino que Isabel Allende habrá logrado conmover a todo público de gusto literario con Paula, puesto que es una novela muy íntima y personal. En este autorretrato, se ve claramente reflejada la sensibilidad de una madre ante un problema de esta época que nos enseña cómo afrontarlo y luchar por ello.

~~Isabel Allende's memoir, Paula, published in 1995, is Allende's first nonfiction book. The story is written for her daughter, Paula, after she fell into a coma. "It was meant to become a journal that I would give to my children and my grandchildren", Allende says, but the book turned out to be a popular bestseller.~~

~~Paula Isabel Allende Resumen | Isabel Allende Paula - YouTube~~

~~In this literary classic, New York Times best-selling author Isabel Allende recalls the story of her beloved daughter and her remarkable family's past. When her daughter, Paula, became gravely ill and fell into a coma, Isabel Allende began to write the story of her family for her unconscious child.~~

Newly Reissued New York Times Bestselling Author "Beautiful and heartrending. . . . Memoir, autobiography, epicetium, perhaps even some fiction: they are all here, and they are all quite wonderful." "Los Angeles Times When Isabel Allende's daughter, Paula, became gravely ill and fell into a coma, the author began to write the story of her family for her unconscious child. In the telling, bizarre ancestors appear before our eyes; we hear both delightful and bitter childhood memories, amazing anecdotes of youthful years, the most intimate secrets passed along in whispers. With Paula, Allende has written a powerful autobiography whose straightforward acceptance of the magical and spiritual worlds will remind readers of her first book, The House of the Spirits.

»Hör mir zu, Paula, ich erzähle dir eine Geschichte, damit du nicht so verloren bist, wenn du wieder aufwachst.« Das Unfaßbare geschah im Dezember 1991, als Isabel Allendes Tochter Paula plötzlich schwer erkrankte und kurz darauf ins Koma fiel. Eine heimtückische Stoffwechselkrankheit hatte die lebensfrohe junge Frau jäh niedergeworfen, im Herbst 1992 starb sie. Das Schicksal ihrer Tochter wurde für Isabel Allende zur schwersten Prüfung ihres Lebens. Um die Hoffnung nicht zu verlieren, schrieb sie, der Tochter zur Erinnerung um sich selbst zur Tröstung, »das Buch ihres Lebens in doppelter Hinsicht« (Bayerischer Rundfunk), ihr persönlichstes und intimstes Buch »eine Hymne auf das Leben« (stern)

When Isabel Allende's daughter, Paula, became gravely ill and fell into a coma, the author began to write the story of her family for her unconscious child. In the telling, bizarre ancestors appear before our eyes; we hear both delightful and bitter childhood memories, amazing anecdotes of youthful years, and the most intimate secrets passed along in whispers. With Paula, Allende has written a powerful autobiography whose straightforward acceptance of the magical and spiritual worlds will remind readers of her first book, *The House of the Spirits*.

In December 1991, Allende's daughter Paula, aged 26, fell gravely ill and sank into a coma. This book started as a letter to Paula written during the hours spent at her bedside, and became a personal memoir and a testament to the ties that bind families ' a brave, enlightening, inspiring true story.

Paula es el libro m s conmovedor, m s personal y m s ntimo de Isabel Allende. Junto al lecho en que agonizaba su hija Paula, la gran narradora chilena escribi la historia de su familia y de s misma con el prop sito de regal rsela a Paula cuando sta superara el dram tico trance. El resultado se convirti en un autorretrato de ins lita emotividad y en una exquisita recreaci n de la sensibilidad de las mujeres de nuestra poca.

Narrated with warmth, humor, exceptional candor and wisdom, *The Sum of Our Days* is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable *New York Times* bestselling author of *The House of the Spirits*, Isabel Allende. "An inspiring and thought-provoking work." —*Denver Post* Isabel Allende reconstructs the painful reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood, spirituality and religion, infidelity, addiction, and memory—and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

This sweeping novel from the *New York Times* bestselling author of *A Long Petal of the Sea* tells the epic story of Violeta Del Valle, a woman whose life spans one hundred years and bears witness to the greatest upheavals of the twentieth century. **ONE OF THE MOST ANTICIPATED BOOKS OF 2022**—*Oprah Daily*, *The Washington Post*, *Business Insider*, *Marie Claire*, *Bustle*, *Ms. magazine*, *PopSugar*, *The Week*, *Electric Lit*, *The Millions*, *She Reads*, *Lit Hub*, *Book Riot* Violeta comes into the world on a stormy day in 1920, the first girl in a family with five boisterous sons. From the start, her life is marked by extraordinary events, for the ripples of the Great War are still being felt, even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth. Through her father's prescience, the family will come through that crisis unscathed, only to face a new one as the Great Depression transforms the genteel city life she has known. Her family loses everything and is forced to retreat to a wild and beautiful but remote part of the country. There, she will come of age, and her first suitor will come calling. She tells her story in the form of a letter to someone she loves above all others, recounting times of devastating heartbreak and passionate affairs, poverty and wealth, terrible loss and immense joy. Her life is shaped by some of the most important events of history: the fight for women's rights, the rise and fall of tyrants, and ultimately not one, but two pandemics. Through the eyes of a woman whose unforgettable passion, determination, and sense of humor carry her through a lifetime of upheaval, Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional.

From the *New York Times* bestselling author of *A Long Petal of the Sea* comes **a bold**

exploration of womanhood, feminism, parenting, aging, love and more" (Associated Press). "The Soul of a Woman is Isabel Allende's most liberating book yet." "Elle" "When I say that I was a feminist in kindergarten, I am not exaggerating," begins Isabel Allende. As a child, she watched her mother, abandoned by her husband, provide for her three small children without resources or voice. Isabel became a fierce and defiant little girl, determined to fight for the life her mother couldn't have. As a young woman coming of age in the late 1960s, she rode the second wave of feminism. Among a tribe of like-minded female journalists, Allende for the first time felt comfortable in her own skin, as they wrote "with a knife between our teeth" about women's issues. She has seen what the movement has accomplished in the course of her lifetime. And over the course of three passionate marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality. So what feeds the soul of feminists—and all women—today? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over our bodies and lives, and above all, to be loved. On all these fronts, there is much work yet to be done, and this book, Allende hopes, will "light the torches of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished."

Es una memoria encarnada que atrapa al lector como una novela de suspenso. Cuando la hija de Isabel Allend, Paula, cayó en coma gravemente enferma, la autora comenzó a escribir la historia de su familia para su hija inconsciente. En el desarrollo de la historia aparecen ante nosotros ancestros extraordinarios, oímos recuerdos maravillosos y amargos de la infancia, anécdotas increíbles de los años jóvenes, los secretos más íntimos se oyen en murmullos. En Paula, Allende escribe una poderosa autobiografía cuya aceptación de los mundos mágico y espiritual recuerdan al lector su primer libro La casa de los espíritus.

Under the aegis of the Goddess of Love, Isabel Allende uses her storytelling skills brilliantly in Aphrodite to evoke the delights of food and sex. After considerable research and study, she has become an authority on aphrodisiacs, which include everything from food and drink to stories and, of course, love. Readers will find here recipes from Allende's mother, poems, stories from ancient and foreign literatures, paintings, personal anecdotes, fascinating tidbits on the sensual art of food and its effects on amorous performance, tips on how to attract your mate and revive flagging virility, passages on the effect of smell on libido, a history of alcoholic beverages, and much more. An ode to sensuality that is an irresistible blend of memory, imagination and the senses, Aphrodite is familiar territory for readers who know her fiction.
