Philosophy in a New Key: A Study in the Symbolism of Reason, Rite and Art is the main work of American philosopher Susanne K. Langer, first published in 1941. In it she declares that " Symbolism was the 'new key' to understanding how the human mind transformed the primal need to express oneself."

Philosophy in a New Key - Wikipedia

This book purports merely to demonstrate the unrecognized fact that it IS a new key, and to show how the main themes of our thought tend to be transposed into it. As every shift of tonality gives a new sense to previous passages, so the reorientation of philosophy which is taking place in our age bestows new aspects on the ideas and arguments of the past.
