One of the great series in the history of the American detective story gets even better when Spenser is hired by a jilted bride to follow a cheating husband, only to cross paths with a detective hired to tail the two-timing wife. In 1974, a revolutionary group held up the Old Shawmut Bank in Boston's Audubon Circle. Money was stolen. And a woman named Emily Gordon, a visitor in town cashing traveller's checks, was shot and killed. No one saw who shot her. Despite security-camera photos and a letter from the group claiming responsibility, the perpetrators have remained at large for nearly three decades. Enter Paul Giacomin, the closest thing to a son Spenser has. Twice before, Spenser's come to the young man's assistance; and now Paul is thirty-seven, his troubled past behind him. When Paul's friend Daryl Gordon-daughter of the long-gone Emily-decides she needs closure regarding her mother's death, it's Spenser she turns to. The lack of clues and a missing FBI intelligence report force Spenser to reach out in every direction-to Daryl's estranged, hippie father, to Vinnie Morris and the mob, to the mysterious lives - testing his resourcefulness and his courageousness. Robert B Parker's Spenser is one of the best private detectives in fiction" - Sunday Telegraph

Heidi Bradshaw is wealthy, beautiful, and well connected. She's also a notorious gold digger only recently separated from her latest husband - and she's just hired Spenser as a stand-in spouse for her daughter's wedding. It's not his usual kind of assignment, but Spenser has no reservations about accepting, especially after ensuring that his beloved Susan Silverman is also on the guest list. It should be a straightforward job: look after the mother of the bride, enjoy a few drinks and most importantly, spend some quality time with Susan. But then Spenser's old nemesis Rugar - the Gray Man - arrives. A storm, a kidnaping, and a series of murders tear apart what should be a joyous occasion, and Rugar is seemingly at the centre of it all. The only thing is that the perpetrator's apparent sloppiness is not Rugar's style, as Spenser knows from past encounters. With six dead bodies and more questions than he can handle, Spenser begins a search for answers - and the Gray Man.

The wives of Boston's wealthiest men have a mutual secret: they all had an affair with the same cad who's blackmailing them, and Spenser's been hired to stop him. But when the wives start dying one by one, Spenser's new case becomes murder.
