Seeking Environmental Justice—Google Books

The 5th Environmental Justice and Global Citizenship conference was held at Oxford, UK in 2006. This decidedly trans-disciplinary, international event attracted participants from traditionally separate academic perspectives; each ambassadors for their disciplines and each seeking and making connections with other disciplines and other understandings.

How our clients are seeking environmental justice. April 22, 2020. Earth Day is a time for us to reflect on all that our planet has given to us and to celebrate those who have worked tirelessly to strengthen our relationship with the environment. In celebration of the 50th Anniversary of Earth Day, we would like to honour and share with you some of the exciting legal initiatives we are currently supporting through West Coast's Access to Justice program.

Environmental justice. “The Earth is the Lord’s, and all that is in it, the world, and those who live in it”. Psalm 24:1. Jesus came to bring Good News to the poor and told his followers to love one another. Environmental degradation and climate change caused by the rich world’s over-exploitation of the earth’s resources are despoiling Creation and making life difficult, if not impossible, for many people. In all this, it is the poor who have done least damage who are suffering most.

Loyens (“Environmental Justice: Bridging the Gap between Experts and Laymen”) presents a concise discussion of models for improved science-lay dialogue, with illustrations drawn from selected northern European experience. The next pairing (“environmental activism”) was made up of two interesting and, once again, more cognate contributions.
