A fun guide book for God's little princesses. What does it take to be a princess? Sheila Walsh has some important answers to share for every little girl. This trendy design features black & white line art and a two-color pink and black interior. The art will tie to each how-to topic in the book—how to make the best pink cookies, how to wear a tiara, how to earn money at home, how to care for a royal dog, how to be respectful, how to use good manners, how to help Mom, how to follow Jesus, how to act like a princess when things go terribly wrong, and many more.

A collection of four full-length, original Gigi, God's Little Princess® picture books now in one volume! It's perfectly pink! And every little princess will want one. This delightful edition includes the complete editions of: Gigi, God's Little Princess, The Royal Tea Party, The Pink Ballerina, and The Purple Ponies. With giggle after giggle, little princesses will learn that we are all children of the King, that we have different strengths and weaknesses, that God never gives up on us, even when our choices fall short of being royal, and that God does not love us for what we do or how well we do it, but for who we are inside.

There is a paradox in American Christianity. According to Gallup, nearly eight in ten Americans regard the Bible as either the literal word of God or the inspired by God. At the same time, surveys have revealed gaps in these same Americans' biblical literacy. These discrepancies reveal the complex relationship between American Christians and Holy Writ, a subject that is widely acknowledged but

## Access Free Sweet Dreams Princess Gods Little Princess Bedtime Bible Stories Devotions And Prayers

rarely investigated. The Bible in American Life is a sustained, collaborative reflection on the ways Americans use the Bible in their personal lives. It also considers how other influences, including religious communities and the internet, shape individuals' comprehension of scripture. Employing both quantitative methods (the General Social Survey and the National Congregations Study) and qualitative research (historical studies for context), The Bible in American Life provides an unprecedented perspective on the Bible's role outside of worship, in the lived religion of a broad cross-section of Americans both now and in the past. The Bible has been central to Christian practice, and has functioned as a cultural touchstone, throughout American history, but too little is known about how people engage it every day. How do people read the Bible for themselves outside of worship? How have denominational and parachurch publications influenced the interpretation and application of scripture? How have clergy and congregations influenced individual understandings of scripture? These questions are especially pressing in a time when denominations are losing much of their traditional cultural authority, technology is changing reading and cognitive habits, and subjective experience is continuing to eclipse textual authority as the mark of true religion. From the broadest scale imaginable, national survey data about all Americans, down to the smallest details, such as the portrayal of Noah and his ark in children's Bibles, this book offers insight and illumination from scholars across the intellectual spectrum. It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment.

Presents scripture passages from the International Children's Bible, accompanied by promises, praises, prayers, reflections, and applications to help girls learn about God.

□In these uncertain times, I know 100 percent that I can stake my life on the unshakeable, unchanging promises of God! □SHEILA WALSH Where do you turn for shelter in the worst storms of life? You know God's promises, but are they for you, are they for now, are they for this? If you look to your circumstances alone, it may seem that God has forgotten you. But He hasn't. He can't. And He wouldn't even if He could. God is the only promise maker who is always a promise keeper. And God's promises will never fail you! In *The Shelter of God's Promises*, gifted Bible teacher and inspiring Women of Faith speaker Sheila Walsh searches Scripture for what God has promised us, what God's promises mean, and how encounters with Christ are the eternal fulfillment of His unrelenting commitment to us. Through vulnerable storytelling, new insights, and an in-depth Bible study, Sheila offers powerful, heart-filled teaching on ten bedrock promises of God, providing the foundation for daily confidence, joy, hope—and shelter.

Parents and children alike will be won over by the lovable innocence of Gigi, a little girl who just knew she was a princess—she had known it from birth! But where were the castle and royal jewels? With a little help from Mommy and Daddy, Gigi realizes that she is not just any princess—she is the daughter of the greatest King of all! A wonderful discovery for little princesses everywhere, *Gigi, God's Little Princess* will subtly teach girls of their importance and belonging to the King of all kings. Meets national education standards.

A great combination of bedtime theme, encouraging and age-appropriate devotions, and the bestselling God's Little Princess® brand, all wrapped up in a creative, sparkly cover is, sure to be a hit. Bedtime means special moments to share between a parent and daughter, and *God's Little Princess Bedtime*
