Letters capture a moment in time, a mood, a reflection – however fleeting- which can be treasured, recorded and in time, will be a way of re-living a connection. They give a sense of where I am sitting in the garden, under the dappled shade of a tree; I can hear the children bath upstairs and will have to go to them soon.

Lettering is an umbrella term that covers the art of drawing letters, instead of simply writing them. Lettering is considered an art form, where each letter in a phrase or quote acts as an illustration. Each letter is created with attention to detail and has a unique role within a composition. Lettering is created as an image, with letters that are meant to be used in a unique configuration. Lettering words do not usually translate into alphabets that can later be used in font since they are cre
