Briles discloses that, in fact, one-third of
the women surveyed prefer not to work with
other women at all because of this toxic
sabotage factor. Judith Briles breaks through
the code of silence surrounding a once taboo
subject in this disturbing and liberating
examination of the reasons women sabotage
other women at work.

The Briles Report Women Healthcare by Briles,
Judith ...

Judith Briles breaks through the code of
silence surrounding a once taboo subject in
this examination of the reasons women
sabotage other women at work. Through vivid
examples based on real-life experiences in
health care settings, Briles describes the
many forms of workplace sabotage--from
withholding critical information to taking
credit for someone else's work and
achievements--and the damage and havoc it

Former Baylor head football coach Art Briles in 2014. The Baylor University sexual assault scandal was the result of numerous allegations of and convictions for sexual and non-sexual assaults committed by Baylor University students, mostly players in the Baylor Bears football team, during the early-to-mid 2010s. In 2016, Baylor's football team came under fire when it was revealed university ...
