The Tale of the Four Dervishes, known as Bāgh o Bahār in Urdu, is a collection of allegorical stories by Amir Khusro written in Persian in the early 13th century. While legend says that Amir Khusro was the author, the tales were written long after his death. Legend has it that Amir Khusro's master and Sufi saint Nizamuddin Auliya had fallen ill. To cheer him up, Amir Khusro started telling him a series of stories in the style of the One Thousand and One Nights.

In despair at having no son to succeed him, the King of Turkey leaves his palace to live in seclusion. Soon after, however, he encounters four wandering dervishes - three princes and a rich merchant from Persia, Yemen and China - who have been guided to Turkey by a supernatural force that prophesied their meeting. The five men sit together in the dead of night, each in turn telling the tale of lost love that led him to renounce the world. As their stories within stories unfold, a magnificent world is revealed of courtly intrigue and romance, fairies and djinn, oriental gardens and lavish feasts, adventures and mishaps. A Tale of Four Dervishes (1803) is an exquisite example of Urdu fiction that provides a fascinating glimpse into the

customs, beliefs and people of the time.

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.

With over one million copies sold, this series of modern classics about the charming Penderwick family from National Book Award winner and New York Times bestseller Jeanne Birdsall is perfect for fans of Noel Streatfeild and Edward Eager. This summer the Penderwick sisters have a wonderful surprise: a holiday on the grounds of a beautiful estate called Arundel. Soon they are busy discovering the summertime magic of Arundel ' s sprawling gardens, treasure-filled attic, tame rabbits, and the cook who makes the best gingerbread in Massachusetts. But the best discovery of all is Jeffrey Tifton, son of Arundel ' s owner, who quickly proves to be the perfect companion for their adventures. The icy-hearted Mrs. Tifton is not as pleased with the Penderwicks as Jeffrey is, though, and warns the new friends to stay out of trouble. Which, of course, they will—won ' t they? One thing ' s for sure: it will be a summer the Penderwicks will never forget. Deliciously nostalgic and quaintly witty, this is a story as breezy and carefree as a summer day.

First came the disintegration of the Ottoman Empire following World War I; then, in the 1950s and '60s, the Nasser-inspired wave of Arab nationalism and socialism. The Arab world's third great political cataclysm of the past 100 years has also brought permanent changes, but not as its activists had hoped: the 2011 uprisings. Their consequences have differed greatly from area to area, splintering the Arab region into four different worlds. The Levant states have disintegrated, possibly irreversibly. The Gulf monarchies have embarked on far-reaching plans of economic and social change to stave off discontent. Egypt has retreated into military authoritarianism and a war on Islamists, threatening its future stability. Only the Maghreb countries, which have started integrating Islamists into their political systems, offer some hope for progress toward democracy. Marina and David Ottaway have brought together fifty years of experience observing the Arab world, and a wealth of first-hand information gathered from living and travelling extensively in the region. A Tale of Four Worlds is an indispensable analysis of the profound upheavals that have shaken--and continue to transform--Arab and global politics.

The Firework Maker's Daughter I Was A Rat! Clockwork The Scarecrow and His Servant A devilish inventor, a girl who must face a Fire Fiend, a scarecrow brought to life by a bolt of lightning, and a boy who can only say the words 'I Was a Rat!' . . . Drawing on the rich tradition of fairytales, these are four incredible stories that will obsess and enchant readers. Includes a prologue and epilogue from the uniquely talented Philip Pullman, author of His Dark Materials

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal – winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. " My land tells its story if you listen. The story of our family. " Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman ' s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa ' s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.
