Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

Think and Grow Rich has been called the "Granddaddy of All Motivational Literature." It was the first book to boldly ask, "What makes a winner?" The man who asked and listened for the answer, Napoleon Hill, is now counted in the top ranks of the world's winners himself. The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized in this one. In the original Think and Grow Rich, published in 1937, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. In the updated version, Arthur R. Pell, Ph.D., a nationally known author, lecturer, and consultant in human resources management and an expert in applying Hill's thought, deftly interweaves anecdotes of how contemporary millionaires and bilionaires, such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton, achieved their wealth. Outmoded or arcane terminology and examples are faithfully refreshed to preclude any stumbling blocks to a new generation of readers.

The greatest motivational book of all time! Napoleon Hill's thirteen step programme will set you on the path to wealth and success. Think and Grow Rich reveals the money-making secrets of hundreds of America's most affluent people. By thinking like them, you can become like them. This powerful 1937 classic, with analysis from self-development authority Tom Butler-Bowdon, will continue to be read through the decades of economic boom and bust, proving that the magic formula for making money never changes.

As Executive Director of the Napoleon Hill Foundation, I receive many requests from people wanting the original 1937 copy of Think and Grow Rich. To satisfy those of you who desire to have a 1937 unedited copy, we have reproduced Napoleon Hill's personal copy of the first edition, printed in March of 1937. The book has the notation, "not to be loaned," and signed: Annie Lou Hill (the wife of Dr. Hill). This personal copy of Dr. Hill's was given to me by Dr. Charles W. Johnson, Chairman of the Napoleon Hill Foundation and a nephew of Napoleon Hill. It was Napoleon Hill who sent Dr. Johnson to medical school, and today he is a practicing cardiologist. Charlie refers to Napoleon Hill as "Uncle Nap" and will often makes the statement, "Uncle Nap would be proud of the Foundation today." The original 1937 manuscript was written and edited with the assistance of Napoleon's wife. In later years, the existing document was again edited by Dr. Hill. For example, the Foundation owns a 1958 edition that Hill edited personally. This did not lessen the book's value in Hill's judgment. Hill made the editing remarks in his own handwriting and the resulting 1960 edited edition has sold over 100 million copies making it the most read self-help book of all time. Today there are many so called authors who publish Think and Grow Rich and some even add their name alongside Dr. Hill's. I believe that these "authors" should be able to write something themselves instead of merely copying the work of Napoleon Hill. Who do they think they are kidding? Dr. Hill's works are highly recognizable and have had long lasting influence worldwide. In fact, Think and Grow Rich sells more copies today than before Dr. Hill died in 1970. Now you can purchase the original Foundation authorized 1937 unedited copy of Think and Grow Rich by visiting the Napoleon Hill Foundation's website, www.naphill.org. You will be supporting the nonprofit Napoleon Hill Foundation if you do this. For your convenience it is also available as an e-book. The entire philosophy of Napoleon Hill is based on the Golden Rule. The Foundation deeply appreciates the support of those of you who only purchase Napoleon Hill authorized books. Over 25 years ago, Napoleon Hill, then a young special investigator for a nationally known business magazine, was sent to interview Andrew Carnegie. During that interview Carnegie stlyly dropped a hint of certain master power he used; a magic law of the human mind - a little known psychological principle - which was amazing in its power. Carnegie suggested to Hill that upon that principle he could build the philosophy of all personal success - whether it be measured in terms of Money, Power, Position, Prestige, Influence, or Accumulation of Wealth. That part of the interview never went into Hill's magazine. But it did launch the young author upon over 20 years of research. And today we open to YOU the discovery and methods of using the revolutionary force which Carnegie quietly hinted at. The thrilling methods of using it are now taught in eight textbooks known as the LAW OF SUCCESS. In the trail of the LAW OF SUCCESS lessons come accomplishments, not mere entertainment and time-killing diversion. There come larger businesses, bigger bank accounts, fatter pay envelopes; small enterprises given new life and power to grow; low-pay employees shown how to gain advancement by leaps and bounds. Think and Grow Rich is Napoleon Hill's newest book, based upon his famous LAW OF SUCCESS philosophy. His work and writings have been praised by great leaders in finance,
