Jenna Blum's experience interviewing Holocaust survivors for Steven Spielberg's Shoah Foundation lends authenticity to her depiction of the prisoners' daily fight for survival. *Those Who Save Us* helps us better understand both the victims and their victimizers.

*A professor of German history begins a long journey back into a past she has pushed aside, returning to Germany to reopen the wounds of her own life--as well as that of her mother--as a child living in Nazi Germany. 20,000 first printing.*

For fifty years, Anna Schlemmer has refused to talk about her life in Germany during World War II. Her daughter, Trudy, was only three when she and her mother were liberated by an American soldier and went to live with him in Minnesota. Trudy's sole evidence of the past is an old photograph: a family portrait showing Anna, Trudy, and a Nazi officer, the Obersturmfuherer of Buchenwald. Driven by the guilt of her heritage, Trudy, now a professor of German history, begins investigating the past and finally unearths the dramatic and heartbreaking truth of her mother's life. Combining a passionate, doomed love story, a vivid evocation of life during the war, and a poignant mother/daughter drama, *Those Who Save Us* is a profound exploration of what we endure to survive and the legacy of shame.

*The Lost Family* is an extraordinary read, the kind of book that makes you sob and smile, the kind that gives you hope!. "Tatiana de Rosnay, bestselling author of *Sarah's Key* The New York Times bestselling author of *Those Who Save Us* creates a vivid portrait of marriage, family, and the haunting grief of World War II in this emotionally charged, beautifully rendered story that spans a generation, from the 1960s to the 1980s. In 1965 Manhattan, patrons flock to Masha's to savor its brisket bourguignon and impeccable service and to admire its dashing owner and head chef Peter Rashkin. With his movie-star good looks and tragic past, Peter, a survivor of Auschwitz, is the most eligible bachelor in town. But Peter does not care for the parade of eligible women who come to the restaurant hoping to catch his eye. He has resigned himself to a solitary life. Running Masha's consumes him, as does his terrible guilt over surviving the horrors of the Nazi death camp while his wife, Masha,the restaurant's namesake,and two young daughters perished. Then exquisitely beautiful June Bouquet, an up-and-coming young model, appears at the restaurant, piercing Peter's guard. Though she is twenty years his junior, the two begin a passionate, whirlwind courtship. When June unexpectedly becomes pregnant, Peter proposes, believing that beginning a new family with the woman he loves will allow him to let go of the horror of the past. But over the next twenty years, the indelible sadness of those memories will overshadow Peter, June, and their daughter Elsbeth, transforming them in shocking, heartbreaking, and unexpected ways. Jenna Blum artfully brings to the page a husband devastated by a grief he cannot name, a frustrated wife struggling to compete with a ghost she cannot banish, and a daughter sensitive to the pain of both her own family and another lost before she was born. Spanning three cinematic decades, *The Lost Family* is a charming, funny, and elegantly bittersweet study of the repercussions of loss and love.

Annelise is a dreamer: imagining her future while working at her parents' popular bakery in Feldenheim, Germany, anticipating all the delicious possibilities yet to come. There are rumors that anti-Jewish sentiment is on the rise, but Annelise and her parents can't quite believe that it will affect them; they're hardly religious at all. But as Annelise falls in love, marries, and gives birth to her daughter, the dangers grow closer: a brick thrown through her window; a childhood friend who cuts ties with her; customers refusing to patronize the bakery. Luckily Annelise and her husband are given the chance to leave for America, but they must go without her parents, whose future and safety are uncertain. Two generations later, in a small Midwestern city, Annelise's granddaughter, Clare, is a young woman newly in love.
